

e-STUDIO338cs

Product brochure

- > This all-in-one A4 colour multifunctional device covers your daily business requirements with print, copy, scan and fax functions.
- > The e-STUDIO338cs help streamline your business' document workflow with a productivity of up to 33 pages per minute.
- > Cutting edge technology ensures your colour print jobs do not come to a halt, simply select to continue printing in monochrome instead.
- > Impeccable print quality ensures consistent yet impressive document output, from the first print to the last.

AN ASSET TO ANY WORKGROUP

The e-STUDIO338cs is an asset to any business or workgroup that requires productivity, reliability and ease of use. This compact A4 multifunctional device offers a remarkable image quality that gives your documents the wow-factor.

Even challenging print jobs can be fulfilled, thanks to a clever range of options and solutions. A maximum paper capacity of 1,451 sheets ensures large print jobs run with ease.

The tiltable, colour touch panel and keypad offer a straight-forward way to access all the device's functions and features.
